2025

The image shows the front cover of a book. The cover is made of a brown, textured material, possibly leather or faux leather. In the center, the year '2025' is embossed in a large, simple, sans-serif font. The cover is decorated with blind-stamped lines: a double-line border around the perimeter and a single-line vertical strip running down the right side. On the right edge, there is a small, rectangular red tab or piece of material protruding outwards.
